NEWPATH
CONSULTING

Dear NewPath Friend,

Welcome to the latest NewPath Consulting Newsletter!

It's December and it's hard to believe we are nearing the end of the year!

Also, you won't want to miss Alex's exciting 2021-2022 year end **blog**! You will want to read it!

NewPath Consulting has more exciting announcements and offers to make, before the end of 2022!

We have **QuickBooks for WildApricot** which allows seamless synching between WildApricot and QuickBooks, but with an exciting opportunity for our US clients. If you are a registered, non profit organization, you could be eligible for a large discount, from **TechSoup**!

Now for a bit of fun, since it's the end of the year. As if we need an excuse to let our hair down at NewPath Consulting, and after working hard for you, our clients this past year, we have a knock knock joke:

Knock, knock.

Who's there?

Dejav.

Dejav who?

Knock, knock.

Just in, the **2022 Give Back Award** application deadline has been extended to December 16, 2022!

Be sure to send in your applications! Take advantage of this great opportunity to have NewPath Consulting experts build out membership management database, events, donation, website templates, and more, for **free**!
